Re: Conflict Minerals Declaration

This letter is regarding U. S. Legislation and U. S. Securities and Exchange Commissions (SEC) regulations concerning the use of “conflict minerals.”

Ulbrich Stainless Steels and Special Metals has been actively researching our overall compliance with this legislation. At this time, we are not aware of the use of any “conflict minerals” sourced from The Democratic Republic of Congo (DRC) or adjoining countries that may be aiding human rights abuses in portions of the DRC.

Complete declarations are available from your Ulbrich sales representative using the EICC reporting template and also on our website. They can be found under Quality – Conflict Minerals

Please do not hesitate to contact your Ulbrich sales representative if you have any concerns / comments regarding our conflict minerals declaration.

Sincerely,

Rick Lazzari
Corporate Director of Purchasing
